CONSTITUTION
BRUNSWICK BAPTIST ASSOCIATION
(as adopted 23 October 1987)

PREAMBLE

The messengers from the Missionary Baptist Churches comprising the Brunswick Baptist Association do hereby declare the following to be the Constitution and By-laws governing the functioning of the Brunswick Baptist Association.

ARTICLE I - NAME

This Association shall be denominational and shall be known as the Brunswick Baptist Association.

ARTICLE II - PURPOSE

The prime purpose of the Association shall be to counsel together for enlargement and strengthening of God's Kingdom and promoting unity and growth among the churches composing it, and by cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Service.

The means of accomplishing the purpose of this Association shall be in strict conformity with the New Testament and the guidance of the Holy Spirit.

ARTICLE III - MEMBERSHIP

Section 1. This Association shall be composed of the cooperating churches which have been received into and continued in the fellowship of the Association.

Churches may be received into fellowship only after having been under the watchcare of the Association for one (1) full year. Application for membership shall be made in accordance with the rules and regulations established by the Association. Churches under watchcare of the Association shall make written reports of their progress and cooperative efforts as re-

quired by the Association.

Section 2. The Association shall be the sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and By-laws. Affiliated churches may also withdraw as they desire. For a body to be considered for membership in the Association, it must:

(1) Be a church applying from a sister association, coming in good standing, or

(2) A duly constituted church formerly sponsored as a mission for at least one (1) full year by a current member church, or

(3) A mission, under the sponsorship of the Association, that has been constituted as a church, or

(4) An established church desiring affiliation, giving satisfactory evidence of their belief in Southern Baptist faith and practice.

ARTICLE IV - MEETINGS

Section 1. The Associational year shall close on the 30th of September. Letters from the churches shall, as soon thereafter as possible, be transmitted to the Clerk of the Association for consolidation and use at the annual session, which shall convene on Thursday afternoon, Thursday night, and Friday morning and afternoon, after the third Lord's Day in October of each year, except, however, when compelling conditions make it necessary to change this date, in which event the Executive Board shall be empowered with authority to determine the date of the session.

Section 2. Special meetings may be called by the Moderator provided two(2) weeks' notice is given to all affiliated churches.

Section 3. Messengers of the churches to the meetings of the Association shall be composed of the Pastor or Interim Pastor of each of said churches, and three (3) messengers from each church whose membership is 200 or less, and one (1) additional messenger for every 100 members or fraction thereof in excess of 200. Such messengers must be certified by their churches to the Association.

Section 4. Only certified messengers from affiliated churches shall vote on matters before the Association.

ARTICLE V - AUTHORITY

Section 1. The New Testament is the sole authority for the faith and practice of this Association. The doctrinal statement known as the New Hampshire Declaration of Faith, as revised by the Southern Baptist Convention in 1963, reflects in general the doctrinal beliefs of this body.

Section 2. In no instance shall the Association presume to direct or control any member church with reference to its own government or internal policy, but shall be ready and willing at all times to counsel, advise or assist any member church, when so requested.

ARTICLE VI - GENERAL OFFICERS

Section 1. The general officers of the Association shall be Moderator, Vice-Moderator, Clerk, Statistician, Treasurer, Parliamentarian, and Chairman of Trustees. These officers shall be known collectively as the Administrative Service Officers.

Section 2. They shall be elected annually by the Association and shall assume their responsibilities at the close of the session at which they are elected and serve throughout the ensuing year.

Section 3. The elective term of the Moderator shall be limited to two (2) consecutive years; provided, however, after a lapse of two (2) years he

shall be eligible to again be elected.

Section 4. In the event a vacancy occurs in the office of the Moderator, then the Vice-Moderator shall immediately and automatically become the Moderator for the unexpired term of office. In the event a vacancy occurs in any other administrative service officer position, then that office shall be filled by the Executive Board upon a majority vote.

ARTICLE VII - OTHER OFFICERS

The Association may establish, as the need arises, further offices in order to implement those programs needed to perform those tasks consistent with accomplishing the goals and purposes of the Brunswick Baptist Association.

ARTICLE VIII - TRUSTEES

There shall be three (3) Trustees of the Association serving terms of three (3) years each. The Trustees shall be nominated by the Nominating Committee and may succeed themselves. One (1) Trustee shall be elected at the annual session each year.

ARTICLE IX - EXECUTIVE BOARD

Section 1. The Executive Board shall be composed of the General Officers of the Association, the Pastor, or Interim Pastor, of each church in the Association, two (2) members from each of the participating churches (the latter to be elected annually by their respective churches), the Director of Missions, the General Board Member and the Director/Chairman of each ministry/program committee established by the Association.

Section 2. The Executive Board shall act in behalf of the Association between annual sessions and supervise the work of the Association in promoting the programs of the Baptist State Convention and the Southern Baptist Convention.

Section 3. The Executive Board shall meet annually on the Monday night after the second Sunday in January and at least quarterly thereafter each year on nights established by said Board at the annual January meeting.

Section 4. Representatives from twenty-five per cent (25%) of the member churches shall constitute a quorum at a meeting of the Executive Board.

Section 5. The elected Moderator, Vice-Moderator, Clerk, Treasurer, Statistician, and Parliamentarian shall serve the Executive Board in their respective capacities.

ARTICLE X - STANDING COMMITTEES

The Association may adopt those rules needed to establish committees to accomplish the goals and purposes of the Brunswick Baptist Association.

ARTICLE XI - PERSONNEL

The Association may employ personnel as needed to carry out the programs of the Association. The Association shall select an Associational Director of Missions for an indefinite term. Duties of the Director of Missions shall include supervision of the day-to-day operation of Associational programs and other duties assigned by the Association. Selection of the Associational Director of Missions shall be made by the Executive Board.

ARTICLE XII - FINANCIAL LIMITATIONS

No program shall be inaugurated which might involve the Association directly or indirectly in a debt, without securing prior approval of the Association. Likewise, no solicitation of funds for any program or ministries shall be made to member churches or auxiliaries of any member churches by any department or committee or auxiliaries of any department or committee of the Association without prior approval of the Association.

ARTICLE XIII - AMENDMENTS

This Constitution and its By-laws may be altered or changed only at Annual Session when a Quorum of churches is represented by messengers and then only by a two-thirds (2/3) majority of the messengers voting. Provided that notice shall have been given with the reading of the proposed change(s) the day previous that such motion will be presented. Messengers from fifty

percent (50%) of the churches shall constitute a quorum.

Beginning in August the church choirs of the Brunswick will meet at the Supply Baptist church each first Thursday of each month to make preparation for the Christmas Musical.

SENIOR ADULT ANNUAL REPORT

By: Ouida H. Hewett

The Associational Senior Adult ministry has two purposes:

1. To assist churches in their efforts to meet the distinctive needs of senior adults and 2: to plan and conduct cooperative efforts of the churches when cooperative efforts are needed. We have tried to meet these purposes.

In our smaller churches, we ask they participate in the nearest Senior Adult Club or ministry in their neighborhood.

We have a Brunswick County Senior Adult Council that includes all our Baptist Churches and other churches, also.

Through the past year, we have grown in numbers throughout our Association. The Key Leadership Conference at Ridgecrest was very enlightening and proved to Brunswick we are at the top with our programs for Seniors. We have more Seniors participating in the many activities that are offered here through our own resources than ever before.

We had for the first time a Senior Adult Vacation Bible School. Everyone that attended asked for one in 1988. Senior Adult Day was observed on the First Sunday in May by many of the churches having special activities for their Seniors and Seniors participating in all church services. A Christmas Party was held county-wide for all Seniors. We had children as guests and performing a very special Christmas program for the Seniors.

Sweet-Heart Luncheons, Banquets and Parties were held for Seniors in many of the churches. We thank Dr. Myrln Boone and Rev. Robert Hunter for their prayers and spiritual support during the past year.

"Holy, Holy, Holy, is the Lord God Almighty, who was, and is, and is to come."

BAPTIST FOUNDATION REPORT TO THE ASSOCIATIONS, 1987

You might call Frank Neville handicapped. He spends most of his time in a wheelchair. But he denies that he is handicapped, and instead has utilized his limited mobility as opportunity to witness. Each day he invites neighbors and acquaintances, one at a time, into his home for coffee. There he talks with them about Jesus, and Frank has been thrilled and amazed at their expressions of appreciation for his concern for their spiritual welfare.

Frank has determined that he will never stop witnessing, and his financial and estate plans have been so prepared as to insure that he will always be a part of winning the lost to Christ. He transferred valuable land into trust with the Baptist Foundation. Until his death, he will receive income earned by the trust. After that time, all income will be paid to Carolina Baptist Association to be used for Spanish mission ministries; scholarships for youngsters to attend summer camp, for students studying for Christian vocations, and for persons going on volunteer mission trips; for training and resources for associational leadership; and for camp development. Frank Neville, like others who are faithful stewards now, wishes to continue that commitment when he is no longer here.

The Foundation promotes endowment of Christian causes with an assurance drawn from its experience with donors that such planning for the future in no way minimizes "now" witnessing and giving. Just the opposite has been the case; the faithful steward is faithful in every area. The statistics, dollars and facts of this report are truly about the people whose impassioned concern for mission and ministry has resulted in positive action.

In 1986, new trust agreements were prepared for 93 persons. Their gifts to initiate these trusts totaled $1,181,288. Many of the agreements provide for and anticipate the addition of funds in the future; thus, it is difficult to assess the longterm benefit to Baptist work provided through the trusts. Assistance was given to dozens of persons in preparing their Wills, all of whom included trusts through their estates for nearly every cause supported by Southern Baptists.

One imaginative concept employed in several trusts and Wills has been "Give it Twice". A trustor provides that family members receive income earned by the trust until they have received an amount equal to the principal placed in trust. Then, after the family has received the full amount, the income thereafter is paid to Baptist causes selected by the trustor in the trust agreement. He has denied his family nothing! They have received it all. But the principal is still intact and the second time around the income will support Kingdom work.

Because of the 1986 tax reform legislation, certain types of trusts have taken on new significance. The Retirement Unitrust has become a vehicle for partially replacing the IRA. This trust

is especially attractive for professional persons and others in middle years for supplementing other pension plans.

Many local churches chose to use the Foundation as trustee for funds which they were holding for future needs. Investment of those funds with the Foundation can, in some cases, result in greater income for the church. Conversely, since the funds are pooled and since churches can recall the funds, if they are withdrawn during a depressed market, principal returned to the church could be reduced. It is important that churches recognize that the Foundation's first objective is to assist individuals in estate stewardship. The motivation for using the Foundation must be the making of a gift to a Baptist cause. The Foundation does not operate as a bank or investment institution. However, one exciting realization for the church is that investment through the Foundation allows their funds to be a part of "family" and to be available for "family" use, if they desire.

In corporation with the stat convention, the Foundation established in the last year a credit line of $3,000,000 for church loans. The Board of Directors took action to implement recommendations of its study committee, resulting in addition to the staff of a director of administration to direct the church loan and student loan programs, as well as trust management. The Board also approved construction of office facilities for the Foundation near the Baptist Building, with plans to begin construction in September, 1987.

Assets of the Foundation have increased to more than $13,000,000. These dollars are expressions of concern made by Baptist stewards. They are the very same persons who, like Frank Neville, witness and give daily, that the lost, the needy, the hurting people of the world might know Jesus.

The Baptist Retirement Homes of North Carolina, Inc.

The year 1986-87 has been an exciting time in the life of the Baptist Retirement Homes of North Carolina, Inc. Charged with the task of providing quality living opportunities for Older Adults within a Christian context, the "Homes" has this year attempted to "move forward" in three broad directions.

I. Advocacy for Older Adults

During 1986-87, the "Homes" has endeavored to become an advocate, a spokesman, for a very special segment of the state's population...the Older Adult. Appearing before church, associational, and convention groups throughout the state, the "Homes" and staff have attempted to sensitize Baptists to the particular needs of Older Adults as well as the significant contribution they can make to the well-being of the churches and associations of the Baptist State Convention.

II. Quality Care

During the year 1986-1987, the "Homes" has continued to develop creative ways to meet the needs of Older Adults. For example, a significant new relationship has been established between the "Homes" and the Geriatric Section of the Bowman Gray School of Medicine (Wake Forest University). Mary Lyles, an attending physician in the Department of Medicine, has been appointed the "Homes'" Medical Director. As a result of this new relationship, the "Homes" will be able to offer "sub-acute" care as well as intermediate and skilled nursing to its residents and patients.

In an attempt to provide quality care opportunities to Older Adults who still reside in the local community setting, a respite or temporary care program has been begun at the Albemarle Home. Quality care, long the hall-mark of the "Homes" is still the institution's main objective.

III. During 1986-1987, plans for institutional expansion and new development have moved forward at a rapid pace. "Ground-breaking" for a new Continuing Care Retirement Community in Winston-Salem will take place in the fall. The Homes' long-range plan includes the development of similar facilities in Asheville, Charlotte, and the East.

The "Good News of Jesus Christ" is the presupposition upon which the "Homes" operates. In reaching out in service to Older Adults, the "Homes" offers concrete expression to the love of the Christ for all people. The support of North Carolina Baptists makes this ministry of love possible.

THE BIBLICAL RECORDER

Report to the Association--1987

There's good news and bad news!

The bad news is that during 1987 there have been some very embarrassing things happen which hindered the work and witness of Christians across our state, the nation and the world.

The good news is that Baptists have done more, given more and cared more about a lost and needy world than ever before. And it was reported in the Biblical Recorder!

The state Baptist paper for North Carolina always tries to tell it like it is--the good, the bad, the victories and the warts--with an emphasis on the good because there is so much good being done by our people as they take seriously the Great Commission from our Lord.

Some Baptists are well-informed, some misinformed, some uniformed. The Recorder tries each week to present the news and activities of Baptists so that all will have the opportunity to be the best informed. As our state grows and there are more challenges every day for witness and ministry, our Baptist people need to be at their very best with information and insight into the situations. Never in the history of North Carolina has there been a greater moment for Baptists to make known the Gospel and help people live in the manner of Jesus.

Readership is strong, but we want every reader and subscriber possible so that more Baptists can know the opportunities and victories within our fellowship. The paper is a bargain--only $5.00 per year for the Church Budget Plan! For half the price of a first-class postage stamp, the Recorder comes into Baptist homes each week.

For the sixth consecutive year there will be NO INCREASE in the subscription rates. Despite the fact that second-class postage costs went up more than $90,000 in 1987, the Recorder directors have agreed to leave the subscription prices as they are so that the greatest number of Baptists can benefit from the paper at the lowest costs.

If your church does not have the Budget Plan, we urge you to consider it for 1988. Special introductory offers are available. Please contact:

May God help us all to work together to share the Good News with the world, starting where we are and reaching to the ends of the earth.

Baptist Children's Homes Of N.C. Report to the Association

In behalf of Dr. Blackwell, the staff, trustees and children in care, we gratefully acknowledge your support through your prayers, concern and financial resources.

Four major emphases occured during this exciting year at the Children's Homes:

1. There was a reorganization of group care on the Mills Home campus in order to more effectively deliver services to children and families. Intentionalized Services will focus on specific tasks needed by our clients in order to regain their ability to function as a whole or independently in society.
2. Moody Home Ministries, an intensive program of "friendship therapy" to troubled girls, was opened in Macon County. We are grateful to our Lord and to the people of Western N.C. in realizing this dream in 1987.
3. The process of Long-Range Planning, which in today's complex world of child care, can only extend up to five years was begun. As a basis for this LRP, accreditation by the National Association of Homes for Children was awarded in 1987. We are only one of three NAHC accredited child-care institutions in North Carolina. We believe you share in this accomplishment.
4. Partnerships in cooperation with the WMU, Personal Evangelism, Baptist Men and the Department of Aging have been both rewarding and exciting. We are grateful for their willingness to assist in informing the Baptists of North Carolina on this child care ministry.

We are delighted to report that more than fifty of our youth made a profession of faith in Jesus Christ during this church year.

Our commitment to you is to be good stewards of that which is entrusted to our care as we offer quality services on four group care campuses, eight emergency care homes, in our foster homes, at our theraupeutic camping program, through the child development center and at our maternity home. OUR MISSION REMAINS FIRM: TO HELP HURTING CHILDREN AND ASSIST BROKEN FAMILIES. We encourage you to help us by promoting the 1988 Homes & Hospital Offering in May and Cooperative Progam stewardship.

Update/Pembroke Area Family Services: The odum Home staff continues to seek excellence in providing services and resources for hurting children and their families. This past year has been a good one for the dedicated staff and children/youth in care. We have often been able to rejoice as family members have been reunited, thus fulfilling one of our desired goals.

The Baptist Men and Women's Missionary Unions of our area Baptist Churches have been involved in meeting many of our needs. We are grateful for their expressed interest, prayers and support. Several area churches have provided funds for special projects.

Plans call for a continuation of our efforts to beautify and enhance our campus and cottages. We also renew our commitment to provide quality child care for some of God's loveliest children.

Through your faithful prayers and generous gifts, we continue to be laborers together for God, thus being grateful for the opportunity to serve with you.

1986-1987 DIRECTOR OF MISSIONS REPORT
October 21, 1987

In many ways this associational year has been great. Some highlights are as follows:

1- Pastor's Retreat: Our Pastor's Retreat at the N. C. Baptist Assembly last October was a most enjoyable fellowship period of renewal for the pastors and helpful relaxation. Our Pastor's Conferences have been extremely well attended and many helpful programs were designed. We had a good time together at the pastor's and spouses Christmas party.

2- Pastor's Wives: The Pastor's Wives fellowship has been well attended and the ladies have had a good time together making bread, fellowshipping, and sharing with each other.

3- Evangelism: The October 30th Evangelism Conference at Supply was most inspiring, helpful, and well attended.

4- "M" Night: "M" Night at Leland had the largest attendance in the state we are told by some SBC leaders.

5- Christmas Musical: In a down pour of rain, the people filled Hatch Auditorium at the N. C. Baptist Assembly to hear the musical,"Behold, He Cometh". Tears filled the eyes of many as the Spirit of God came down upon us. A second performance filled Jennies Branch Church Sunday night following. Participating persons are to be commended on their performance that "smacked" with professionalism.

6- Togo Mission: Brother Wayne Honeycutt represented well the Brunswick Association in aiding the construction of a bridge in Togo.

7- Speed B. Leas Conflict Management Conference: It was super - the "Conflict Management Conference" at Leland by Speed B. Leas of Alban Institute.

8- Sunday School: It was a first in the Southern Baptist Convention - The Charles Wagner Sunday School effort. Charles was in seventeen of our churches and reached 2,323 of our church people with the basics of Sunday School.

9- Revivals/Baptisms: So many of our churches have had many baptisms this year. When the records are analyzed, it could be this has been one of our strongest years in the number of baptisms.

10- Music Clinic: Our Music Clinic in July reached many from a large number of our churches. Improvement in music skills resulted from this well planned and well directed clinic.

11- Resort Ministry: None among us can really say how wonderful it was to reach so many in our first Resort Ministry. Carole Honeycutt and Mylan Pressnell furnish us with outstanding leadership. Pastors, churches, and individuals served us well with the programs.

12- Sunday School: Our Sunday School Leadership attendance was so large it "shocked" our state representative conference leaders. They said "We did not expect these numbers to be in our conferences".

13- Doris Morgan/Ruth Prince: The presence and labor of Doris Morgan and Ruth Prince in our Church Training Planter's Conference was most beneficial at a time when we needed it so very much.

14- Missions: The WMU and Brotherhood leaders are to be commended for their efforts in missions. This is especially true with our G.A. Camp and their support and help with the Resort Ministry.

15- Officers/Committees: Your DOM cannot say enough to express his appreciation for the long hours, excited efforts and support of the 1986-1987 officers and committees. Never have I worked with people who have tried so hard to do the job well. This association is to be commended for its unusual leadership.

Sincerely,

*Nothing in this report requires formal action by the association and is submitted only as information and for encouragement.

NORTH CAROLINA BAPTIST COLLEGE REPORT - 1987

GARDNER-WEBB - WINGATE - MEREDITH - CAMPBELL
1905 1896 1891 1887
MARS HILL - CHOWAN - WAKE FOREST
1856 1848 1834

A recent survey sent to more than 24,000 lay persons and pastors in North Carolina, revealed strongly positive attitudes toward Baptist colleges.

The following summary of the survey's conclusions will interest our Baptist people in the churches and associations:

1. Almost 99 percent of those surveyed said Christian education should remain a high priority in North Carolina Baptist life.

2. More than 80 percent rated North Carolina Baptist colleges as outstanding or good. Ninety-five percent believe the quality of education is equal or superior to an education at a state school.

3. The three main strengths of Baptist schools, according to the survey, are the quality of education offered, the Christian commitment of faculty and the spiritual emphasis on the campuses. The overwhelming weakness is the cost.

4. Most said they learned about the colleges through the Biblical Recorder. **The opinion was strong, however (65%), that Baptist students do not receive sufficient information about Baptist colleges through the local church.**

5. When asked about the percentage of Cooperative Program funds for Christian education, 45.5 percent answered that it is "About right," while 37.8 percent replied the percentage is "Not enough."

6. Respondents to the survey were 29 percent women and 40 percent lay persons. Eighty-four percent were from churches with memberships between 100 and 999.

Such positive attitudes encourage Baptist colleges to excel even more in service and cooperation with Baptist churches.

1986 - 1987 CHURCH TRAINING REPORT

The Brunswick Baptist Association has long been an active supporter of the "M" Night festivities. The 1986 "M" Night at Leland Baptist Church was no different. Before a packed house the host pastor, Rev. Bill Buchanan issued a warm welcome to all in attendance. Our guest speaker was the Educational Director from the Friendly Avenue Baptist Church in Greensboro, N.C. Banners were awarded to the churches with the most in attendance and "M" (for "Mobilization") Night was a supreme kick-off in Brunswick Baptist Church Training. Tickets were given to those wishing to attend the Brunswick Baptist Christmas Cantada to be held at Hatch Auditorium at Fort Caswell Baptist Assembly in December. Also, daily Bible reading guides were given to each church with the encouragement to enroll as many persons as possible in the program.

The 1986-'87 Associational Church Training Team met on a quarterly basis to plan, prepare, and evaluate the on going work. The January meeting was a calendar planning session. The April meeting discussed the possibility of enlisting churches to the idea and implementation of Youth and Children's Bible Drills on a local church level. Associational, Area, and State tournaments were calendared. The July meeting was a breakfast meeting with Doris Morgan from the N.C. Baptist State Convention in attendance.

The director of Church Training for the Brunswick Baptist Association, Rev. Robert E. Bogart led a seminar on the Doctrinal Study of Prayer at Jennies Branch Baptist in May. The Associational Church Training Department held a Master Life Interpretation Conference in June at Oak Island First. Approximately twenty-five persons attended. Rev. Wayne Trexler led the conference. In September there was a regional Bible Skills Rally at Supply Baptist Church. Doris Morgan was again on hand to hold said rally. It is the feeling of the committee that the Church Training achieved several objectives: (1) To elevate the reputation of Church Training within the Association. (2) To provide a comprehensive program of diverse matters and concerns available through out the Association. (3) To publicize our committment of leadership training in Brunswick Baptist Churches.

Respectfully Submitted:

Rev. Robert E. Bogart,	1986-87 Director
Mrs. Rebecca Chapman,	1986-87 Assistant Director
Mrs. Jackie Bogart,	1986-87 Adult Leader
Mr. Rick Holbrook,	1986-87 Youth Leader
Ms. Lib Sellers	1986-87 Children's Leader
Ms. Tammy Woodley	1986-87 Pre-School Leader

Your Director,

J. Tyler Potter, Sr.

INFORMATION FOR THE 1987 ANNUAL ASSOCIATIONAL REPORT

The Christian Life Commission of the Southern Baptist Convention
P. O. Box 25266, Nashville, Tennessee 37202-5266
N. Larry Baker, Executive Director

During the past year the Christian Life Commission elected a new Executive Director, continued its fight against gambling and hunger and increased its initiatives on abortion, pornography, and other moral concerns related to families.

In January, Dr. N. Larry Baker was elected as the fourth Executive Director of the moral concerns agency. He succeeds Foy Valentine who stepped down from the top post because of health problems and assumed a new position as Executive Director for Development. Baker, former Vice President for Academic Affairs and Dean of the Faculty at Midwestern Baptist Theological Seminary, took the reins of the Commission on March 15. He was formally installed a week later during the Commission's national seminar on "Critical Issues Facing Today's Families."

The annual seminar of the Commission attracted 600 participants from throughout the Southern Baptist Convention. Nationally recognized speakers addressed a wide range of family issues including teenage suicide, aging, AIDS education, child abuse, and teaching moral values in the home and in the church. A conference for youth ministers addressed the theme "Moral Problems and Youth."

The problem of abortion received high priority as the issue became a major staff assignment. The Commission sponsored a national consultation on alternatives to abortion designed to chart new courses of action in the fight against abortion. The Commission also produced and distributed eight new abortion-related resources designed to help in the observance of Sanctity of Human Life Sunday and to strengthen ongoing anti-abortion efforts.

Similar information and resources were provided to help Southern Baptist churches observe four other special emphasis days on the denominational calendar. In addition to the Sanctity of Human Life Sunday, the Commission produced support materials for Race Relations Sunday, Christian Citizenship Sunday, the Day of Prayer for World Peace, and World Hunger Day. The hunger emphasis continued to be aggressive as the annual Awareness/Action Guide was sent to all pastors and Directors of Missions.

An increased number of conferences were held in partnership with state conventions. These included a state conference on moral issues in Illinois, regional conferences in Virginia and South Carolina, and leadership training conferences in Virginia and South Carolina.

Anti-pornography initiatives included a conference in Los Angeles, publication of two new pamphlets and production of a videotape on pornography. The Commission also provided staff assistance for a new Broadman film and videotape entitled "Combating Pornography."

Sales and distribution of Christian ethics materials increased by more than 65 percent, setting an all-time high. The past year marked another record as the circulation of LIGHT increased to more than 19,000.

MUSIC

Dear Members of the Brunswick Baptist Association:

Nineteen eighty six - eighty seven was high lighted by our Christmas presentation at Caswell. The joy and fellowship of the program was far beyond our highest expectations. We plan another such program for Christmas 1987. May God be pleased to grant us the grace of His presence, and the joy of his grandeur as we sing to His honor and glory.

Yours in His love,
Rev. Bill Greer
Music Director

SEMINARY EXTENSION

Dear Fellow Brunswick Baptists:

This year our extension program was relatively inactive. One course on Church Growth was held at Faith Baptist. Rev. Merlin Boone taught the class. Our extension program stands ready to serve you whenever you so desire.

Yours in Christ,
Rev. Bill Greer
Seminary Extension

1986-87 SUNDAY SCHOOL REPORT
BRUNSWICK BAPTIST ASSOCIATION

Our Brunswick Baptist Association Sunday School Assist Team attended the Assist Team Institute conducted by the SS Division of the Baptist State Convention in Goldsboro February 9. Assist Team Members were: Wayne Trexler, Eddie Hicks, David Woodley, Rebecca Chapman, Avery Lumsden, Nancy Crisco, Pat Raines, Johnny Roberts and Merlin Boone. Through the cooperation of the State Convention SS Division, Rev. Charles Wagoner was in our association during the spring to work with our Sunday Schools as requested by the individual churches. The response was excellent.

Our Sunday School Training Conference was held September 15 at the Supply Baptist Church. The emphasis was upon leadership training on an age-group basis. The conferences were led by a team of State approved Sunday School leaders. The response was overwhelming with 139 in attendance representing 21 of our Churches.

Wayne Trexler
Sunday School Director

RESORT MINISTRY

The first Resort Ministry of the Brunswick Baptist Association was held in two locations; Holden Beach Fishing Pier Campground and Sea Mist Campground at Brick Landing.

A total of 47 programs were presented during the six week ministry. The ministry reached 550 people. With the approval and continued support of the association, we hope to make this an annual effort. Hopefully the effort will be expanded in 1988.

Coordinators,

Carole Honeycutt

Mylan Pressnell

VACATION BIBLE SCHOOL

Because the individual reports from the churches for the 1987 Vacation Bible Schools have been slow in coming in, it is impossible to give any figures in this report. Many of the churches have reported excellent schools, and I am confident that God has blessed them in a special way. Any time a church will give adequate time for preparation and planning and training, they can expect good results.

As in past years, the Associational VBS Team will attempt to conduct clinics that will prepare our workers to do the kind of work that the Lord wants us to do. Dates and plans will be announced. Capable leaders will be recruited and trained. Information will be made available. No effort will be spared to seek to be helpful.

There are things that the churches must do in order to benefit fully from the VBS ministry. Advance and early planning is essential. As much and as thorough planning should be given to VBS as to any other program of the church. Money should be made available, in keeping with the financial ability of the church. The best possible leadership should be selected for this very important task. Our attitude toward VBS should be carefully examined; it must be a ministry of love to the children and youth of our community. To hold the soul of a child in our hand is an awesome responsibility.

We must labor in partnership with the Lord. We must seek to become a channel for His love. We must seek to minister in His name through our Vacation Bible Schools.

Avery Dumsden

1986-87

W. M. U. DIRECTOR'S REPORT

Our year began with one workshop held at Town Creek in October. While attendance was not up to its usual number, much was accomplished and the year was off to a good start. A tragedy in the life of our Baptist Women Director, Jackie Smith, in the form of a disastrous fire, was devastating to us. We immediately made plans to respond to her need with a love offering and as the weeks went by almost every Baptist Woman in the Association helped in the endeavor. It was a beautiful thing to work together in this way.

During the first quarter the WMU Council served as hostess for an Evangelism Conference at the Supply church, and the WMU Director taught the Adult Foreign Mission study several times and helped install officers in two churches.

Although beset by some unusual problems this year, we again conducted our Christmas projects at the two Rest Homes and participated in the State WMU Christmas ministry to Women's Prison in Raleigh by sending more than 500 pairs of knee socks to help meet the needs.

As you have already heard from our Baptist Women Director, January brought the real highlight of the year as we commissioned Wayne Honeycutt as our volunteer representative to Togo.

WMU Focus Week was observed in a number of the churches, thus giving many church members an opportunity to know the meaning of and opportunities to be found in Woman's Missionary Union.

Several church of the Brunswick Association were represented at the State Annual Session at Ridgecrest. It was well worth all the efforts we put forth to make the trip. The 1988 session will be in Greensboro and you are urged to plan right now to go with us. You'll be glad you did!

The Director helped in a "team teaching" of the Home Missions Adult book and others on the Council were also called on to teach in the series. Visits were made by several of the Council members to the various churches during the year.

In April, Barbara Joiner, well-known WMU writer from Alabama came to the Old Dock Association for a speaking engagement. As your WMU Director, I invited her to visit our Association for lunch and a tour of the Baptist Assembly at Caswell. Janice Singletary, Carol Honeycutt, Gertrude Blake, and Betty Gavin joined us for the occasion.

In May, Janice Singletary, our Baptist Young Women Director, attended the State Key Leadership Conference at Ridgecrest and will lead the WMU part of the two Associational Key Leadership Conferences this month.

Your Council has faithfully met regularly during the year for planning and reporting on age-level activities which they directed and about which you have already heard from their reports

Almost all of the Council members for the year 1987-88 went in late summer to State WMU Workshops either at Caraway Conference Center or First Church Kinston for training sessions.

Although only fifteen of our church WMU's had turned in an annual report at the time of the writing of this report, those reporting show much quality work being done. One WMU reported a local jail ministry and the "adoption" of a church in Bolivia, South America where missionaries LeMar and Betty Tribble serve. Their whole church is involved in the project, but WMU is taking a leading part.

Several churches reported having one or more programs for theentire church, to help the church learn about WMU and its purpose. One church reported furnishing supplies for a newly opened mission in Altoona, Pa. Nine reported having observed World Hunger Day; ten observed WMU Focus Week in February; ten reported having studied at least one of the graded series books for Home and Foreign Missions; and thirteen stated they had observed the two Weeks of Prayer.

Our Annual WMU Meeting was held on September 11 at Southport. The main speakers were Mr. and Mrs. Woodrow Lennon of Wilmington. Mr. and Mrs. Lennon have made many mission trips as volunteers, both home and abroad. They have also been active in the Seamen's Ministry and Literacy Missions in the Wilmington Association.

It has been a joy to once again serve the Association as WMU Director, and I deeply appreciate the love and trust placed in me. I know that the women of the Association will give this same kind of love and trust to the new WMU Director, Mrs. Jacqueline Smith. I look forward to continuing our labors together as I now become Baptist Women Director for the new church year. The year 1988 (May 14) is the 100th Anniversary of WMU in the Southern Baptist Convention. We have a "Century to Celebrate, a Future to Fulfill",

The past has been good. As we enter into our next century of service, may we be confident of two things, as was Miss Annie Armstrong, our first Executive Secretary: first, that "Hitherto the Lord hath led us", and second, that "In His Name the Union will go forward". From the day she made those statements, her message to the women of the Southern Baptist Convention was always, "Go Forward!" Shall we not adopt that as our own motto for 1988? I hope we will.

Susan S. Carson, WMU Director

BAPTIST WOMEN ANNUAL REPORT, 1986-87
by Jackie B. Smith, Director

Baptist Women working together, praying together, doing their best, linked to other persons, exerting their best efforts, can accomplish great things. We saw evidence of this in Baptist Women work and growth in the Brunswick Baptist Association this year.

Our Workshop was well-attended. The Foreign and Home Mission study books were taught in more churches and attended better than in previous years.

In January, Baptist Women, with the financial support of many people in the association, became a part of a "Hands On" mission project. We had our own commissioning service at Shallotte First Baptist as we sent Brother Wayne Honeycutt as a volunteer to Togo, a part of North Carolina's partnership project with Togo missions work. A mission project, adopted by the Baptist Women of the Brunswick Association over a year ago, was nearing completion. In March Brother Honeycutt returned to us and at a special gathering at Friendship Church shared with us his experiences and the results of the efforts in the Togo project. The Brotherhood and all age-levels joined with us in this meeting, as we experienced the joy of having been a part of this ministry.

Baptist Women have grown during this church year, not only in numbers but also spiritually. At the State Workshop in Caraway, the Brunswick Association was given an award for Baptist Women growth of 19%. Exciting things are happening in Brunswick Baptist Women! As September brings the church year to an end, Baptist Women are more aware than ever that they are "Gifted to Serve" and are looking forward with "Vision '88" and realizing that "We have just begun". The world is our mission field. Christ has said to Brunswick Baptist Women - "Go Ye"!

Respectfully submitted in His Service,

Jacqueline B. Smith, BW Director

Acteen Report: 1986-87

Life is a gift to be used every day
Not to be smothered and hidden away;
It isn't a joy to be sipped now and then
And promptly put back in a dark place again.
Life is a gift that the humblest may boast of
And one that the humblest may well make the most of.
Get out and live it each hour as you may;
Don't keep it in niches and corners and grooves,
You'll find that in service its beauty improves.

Our theme this year was "Yours for the Giving: Spiritual Gifts." Our activities; such as, our Father-Mother-Daughter Banquet in February, workshop in May, and our pool party in June were geared to motivate Acteens to use their gift(s) in mission action and personal witnessing.

As Acteen Director, my desire was to teach each girl that whatever her talent, dedicate it to God and He will lead you to the place to use it. It is not so important what your talent is, as what you do with it. The smallest talent turned over to God can be an instrument for good in His service.

Just as "Joshua had his gift of generalship; Moses had a rod, Jacob had the ability to make money, Miriam had a musical talent," our "Acteen-of-the-Year," Jocelyn Stumblingbear and her runner-ups; Sarah Eason and Irene Gates also have gifts. Each using their talents in service to God. It was through the use of these gifts that our membership grew by 15% this year.

Someone once said, "Life is God's gift to you. What you do with it is your gift to God." I like this saying because it reminds me of the choices I get to make about my life and how I live it. As a teenager I attended Acteens myself. It was then that my appreciation of Southern Baptist missions work began to grow.

It was only natural that as I grew up my interests in missions would also grow. Today I stand before you as Associational Acteens Director for Brunswick County. I owe a debt of gratitiude to the many mission education leaders in Woman's Missionary Union along the way who helped me in my development.

As I end this final year as Acteens Director I would like to say to each Acteen, Seek God's will each day during this important time in your life. God wants the very best for you!

Love in Christ,

Orbie Smith
Acteens Director

MISSION FRIENDS 1986-87
ANNUAL REPORT

Our Leadership Conference was held at Town Creek Church with three Mission Friends organizations represented. There were new ideas presented to Mission Friends leaders. These little Mission Friends are very special people and it is our duty to teach them about missions. It is my prayer as we start another year that each church will put a special emphasis on these little ones - our missionaries of tomorrow.

Gospel Center was hostess to Baptist Young Women, Mission Friends leaders, Mission Friends and families with a picnic in April. In spite of a real bad storm that came up we had games, songs and lots of food (all of which was donated). We express special thanks to the WMU of Gospel Center for their wonderful hospitality.

Sue Creech, Associational
Mission Friends Director

BAPTIST YOUNG WOMEN REPORT

As we close this year, I find I have mixed emotions. Sadness, because we saw no new Baptist Young Women organizations started in our churches, yet a strong hope that next year holds the promise of changes for the better.

The Baptist Young Women and Missions Friends Picnic was held on April 25 with about thirty in attendance, even in the face of rain and a hailstorm. Needless to say, we had an indoor picnic!

I look forward to sharing a new and better year with you in Christ's service.

J. BRYAN DOSHER AND WIFE, WOODROW WALTON DOSHER

The Brunswick Baptist Association dedicates the 1988 Minutes to the Rev. J. Bryan Dosher and wife, Woodrow Walton Dosher, for his outstanding leadership in the Association and for the faithful support she has given her husband in his ministry.

Born 11 July 1910 in Brunswick County in the rural area near Southport known as Midway, Rev. Dosher attended public schools in the county and later, after his call to the ministry, studied at New Orleans Baptist Seminary.

At the time he was called to the ministry, Brother Dosher was working as a building contractor. Because of his father's terminal illness it was necessary for him to become the head of his family. He thus became a bivocational pastor in order to support the family. In the course of his ministerial career, he pastored Centerville Baptist in Kelly, N. C.; Morven Baptist in Anson County; Glenview in Winston-Salem; and Olivet Baptist in the Wilmington Association.

He retired as an active pastor, but was determined never to retire from proclaiming the Word "when two or three are gathered together" and give them an opportunity to hear him tell of his Lord. He served as interim pastor of Lebanon, Gospel Center, Beach Road Mission, Bayboro, Bolivia, Woodburn, Goshen and Bethel (twice), always giving of his best in service.

The Reverend Dosher married Miss Woodrow Walton of the Southport area on 30 July 1933. To this marriage was born three daughters and one son. Several grandchildren have come to bless the lives of this couple over the years. The Doshers now live at 6403 Yacht Drive, Long Beach, where he indulges in his twin hobbies of vegetable gardening and raising flowers. He shares the bounty and beauty of those efforts with all who come his way.

Although he has officially retired, Mr. Dosher is unofficially still a volunteer worker in the Association he loves so dearly. The Doshers will always be loved by the people of Brunswick Baptist Association and the churches he has so faithfully served.

FRIENDSHIP BAPTIST CHURCH

1916 - 1982

On August 2, 1916, Long Branch and Regan Baptist Churches (both now extinct) agreed to unite together as soon as a church site near the center of the two churches could be obtained.

> Old records read: "State of North Carolina, Brunswick County. To whom it may concern: This is to certify that we the undersigned Presbytery met at Old Long Branch Church on the seventh day of October A. D. 1916. Being called to meet with the members of Long Branch and Regan Baptist Churches for the purpose of constituting a regular Missionary Baptist Church."
>
> The Presbytery was: Rev. J. A. Mintz, Chairman, Elias Jenrette, H. I. Bennett, and W. H. McKeithan, Secretary.

Friendship was selected as the name of the new church. All members of the old rolls were received. Elias Jenrette, Willie Ganus, J. M. Long, H. I. Bennett, and Isaac Jenrette were recognized as deacons from the two churches to form the deacon board of Friendship. The church covenant and rules of order were read and adopted by the church. W. H. McKeithan was elected as church clerk and Rev. T. H. Patterson was called as pastor for the ensuing year. Thus, the beginning of Friendship Missionary Baptist Church. The church asked to be admitted to the body of the Brunswick Baptist Association and was accepted. In June 1917, a building committee was formed. The present site was selected as the site for the church. Funds were raised and a building erected. A wooden frame structure with bell and steeple, the original structure still stands. In 1970, plans were approved for a 40' by 32' block building which is used as a fellowship and recreational building and Sunday School rooms.

There are five of the charter members still living, four of whom are still members here at Friendship - Mrs. Gladys Stellock, and three sisters, Mrs. Mina Jenrette, Mrs. Alma Ward, and Mrs. Hattie Etheridge. Mr. John Stanley, also a charter member, now attends another Baptist Church.

Last Sunday our church voted to build a new sanctuary here at Friendship. We desire your prayers that God will lead and bless in this new endeavor.

Through the years many souls have been saved, hearts revived, and lives dedicated to God at the altar of this church. Young people have gone out to become workers for God in other places. We are thankful for each of the many God-called men who have served as pators here. Rev. J. D. Hewett, our present pastor is one of these. May God continue to bless as we seek to follow Him.

MOUNT PISGAH - OLDEST MISSIONARY BAPTIST CHURCH IN BRUNSWICK COUNTY

1762 - 1976

Sometime in the 1750's, a group of fishermen from New England came down the coast and settled near the mouth of Lockwood's Folly River in Brunswick County. They began to have prayer meetings, but had no place to assemble to worship. Being led by the Holy Spirit, they joined together in building a one-room log structure where they could meet together. The Lord shed his blessings on this small beginning which was later to become Mount Pisgah Baptist Church, which was organized in 1762.

Sometime later as the congregation moved farther up the river to a site now known as Sand Hill and built another building to worship which was called the "Lockwood's Folly Meeting House".

They continued to have prayer meetings and sometimes preaching service. Still later they moved again to another location about two miles south of Supply on the Old Stone Chimney Road, which still was not far from the banks of the Lockwood's Folly River.

About 1876, they moved again about two miles west and built on the south side of the Old Turn Pike Road - just across the same road from the present site.

In 1911, a move got underway to build a larger building. Lamps and an organ were bought for this church which was completed and dedicated in 1913. Electric lights were installed in the building in 1939. By this time the church had been moved across the road to its present site. Sunday School rooms were added as the need arose.

In 1952, the church began a building program in the construction of a parsonage for our pastor. In March 1953, the church was remodeled to add a vestibule and two Sunday School rooms. In July 1953, new pews were installed in the sanctuary and ground work got well underway for an educational building. In 1961, we began actual work on the educational building, and it was being used by 1963.

In May 1964, the members realized the need for a new sanctuary. The first service was held in this new building in October 1967. Eleven new members were baptized at this service. Regular worship services soon began in the new sanctuary.

In January 1973, the need for a paved parking lot was realized and the completion of the project was in October 1973. The church saw the need for a means of transportation of our members to various events and it was voted to purchase a bus in April of 1974. In September 1974, the church voted to purchase a new organ which is now being enjoyed by all who worship here. The church continued to grow and prosper and the Sunday School needed room for expansion. In June 1976, the trustees completed the purchase of a new house which will become the new parsonage and will make available more land for expansion of the church building.

Mt. Pisgah has had a long history and it is evident throughout this history that the members have been interested in mission work not only for the physical and spiritual needs of its members, but for the needs of local people outside the church. The minutes also indicate that offerings were taken to be sent to the aid of other churches, orphanages, hospitals, the Cooperative Program and other mission projects. As is evidenced by the continued need for expansion of the buildings, the church has had a continual growth in membership and collections.

BRUNSWICK BAPTIST ASSOCIATION
(as adopted 23 October 1987)

PREAMBLE

The messengers from the Missionary Baptist Churches comprising the Brunswick Baptist Association do hereby declare the following to be the Constitution and By-laws governing the functioning of the Brunswick Baptist Association.

ARTICLE I - NAME

This Association shall be denominational and shall be known as the Brunswick Baptist Association.

ARTICLE II - PURPOSE

The prime purpose of the Association shall be to counsel together for enlargement and strengthening of God's Kingdom and promoting unity and growth among the churches composing it, and by cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Service.

The means of accomplishing the purpose of this Association shall be in strict conformity with the New Testament and the guidance of the Holy Spirit.

ARTICLE III - MEMBERSHIP

Section 1. This Association shall be composed of the cooperating churches which have been received into and continued in the fellowship of the Association.

Churches may be received into fellowship only after having been under the watchcare of the Association for one (1) full year. Application for membership shall be made in accordance with the rules and regulations established by the Association. Churches under watchcare of the Association shall make written reports of their progress and cooperative efforts as re-

quired by the Association.

Section 2. The Association shall be the sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and By-laws. Affiliated churches may also withdraw as they desire. For a body to be considered for membership in the Association, it must:

(1) Be a church applying from a sister association, coming in good standing, or

(2) A duly constituted church formerly sponsored as a mission for at least one (1) full year by a current member church, or

(3) A mission, under the sponsorship of the Association, that has been constituted as a church, or

(4) An established church desiring affiliation, giving satisfactory evidence of their belief in Southern Baptist faith and practice.

ARTICLE IV - MEETINGS

Section 1. The Associational year shall close on the 30th of September. Letters from the churches shall, as soon thereafter as possible, be transmitted to the Clerk of the Association for consolidation and use at the annual session, which shall convene on Thursday afternoon, Thursday night, and Friday morning and afternoon, after the third Lord's Day in October of each year, except, however, when compelling conditions make it necessary to change this date, in which event the Executive Board shall be empowered with authority to determine the date of the session.

Section 2. Special meetings may be called by the Moderator provided two(2) weeks' notice is given to all affiliated churches.

Section 3. Messengers of the churches to the meetings of the Association shall be composed of the Pastor or Interim Pastor of each of said churches, and three (3) messengers from each church whose membership is 200 or less, and one (1) additional messenger for every 100 members or fraction thereof in excess of 200. Such messengers must be certified by their churches to the Association.

Section 4. Only certified messengers from affiliated churches shall vote on matters before the Association.

ARTICLE V - AUTHORITY

Section 1. The New Testament is the sole authority for the faith and practice of this Association. The doctrinal statement known as the New Hampshire Declaration of Faith, as revised by the Southern Baptist Convention in 1963, reflects in general the doctrinal beliefs of this body.

Section 2. In no instance shall the Association presume to direct or control any member church with reference to its own government or internal policy, but shall be ready and willing at all times to counsel, advise or assist any member church, when so requested.

ARTICLE VI - GENERAL OFFICERS

Section 1. The general officers of the Association shall be Moderator, Vice-Moderator, Clerk, Statistician, Treasurer, Parliamentarian, and Chairman of Trustees. These officers shall be known collectively as the Administrative Service Officers.

Section 2. They shall be elected annually by the Association and shall assume their responsibilities at the close of the session at which they are elected and serve throughout the ensuing year.

Section 3. The elective term of the Moderator shall be limited to two (2) consecutive years; provided, however, after a lapse of two (2) years he

shall be eligible to again be elected.

Section 4. In the event a vacancy occurs in the office of the Moderator, then the Vice-Moderator shall immediately and automatically become the Moderator for the unexpired term of office. In the event a vacancy occurs in any other administrative service officer position, then that office shall be filled by the Executive Board upon a majority vote.

ARTICLE VII - OTHER OFFICERS

The Association may establish, as the need arises, further offices in order to implement those programs needed to perform those tasks consistent with accomplishing the goals and purposes of the Brunswick Baptist Association.

ARTICLE VIII - TRUSTEES

There shall be three (3) Trustees of the Association serving terms of three (3) years each. The Trustees shall be nominated by the Nominating Committee and may succeed themselves. One (1) Trustee shall be elected at the annual session each year.

ARTICLE IX - EXECUTIVE BOARD

Section 1. The Executive Board shall be composed of the General Officers of the Association, the Pastor, or Interim Pastor, of each church in the Association, two (2) members from each of the participating churches (the latter to be elected annually by their respective churches), the Director of Missions, the General Board Member and the Director/Chairman of each ministry/program committee established by the Association.

Section 2. The Executive Board shall act in behalf of the Association between annual sessions and supervise the work of the Association in promoting the programs of the Baptist State Convention and the Southern Baptist Convention.

The committee previously appointed to study the feasibility of incorporating the Association, made its report through E. J. Prevatte, Chrm. He asked that the Committee be continued to report to the Executive Committee not later than the Executive Committee meeting in April 1989. Motion to this effect was made, seconded, their was no discussion, and the assembly then voted in favor of the motion.

The Committee Chrm. announced that they had received information on the extent of the coverage of the present insurance policy just before the meeting, that he would study it during the evening, and report on it at tomorrow's business session.

Mrs. Rebecca Chapman announced plans for "M" Night together with a "White Christmas", sponsored by the Church Training Department of the Association.

The Director of Missions made the suggestion that the messengers to this session go back to their churches and ask the churches to include in their 1989 budgets line items for gifts to Coastal Baptist Study Center for scholarships to help pastors studying at the Institute who cannot afford the full tuition. He also stated there was a need for in which some of these men coming from other Associations could spend one or two nights a week.

In the absence of the chairman of the Budget Committee, the Parliamentarian, in order to get the matter on the floor, made a motion that the budget as presented at yesterday's session be adopted. The motion was seconded and a discussion followed. Donald Hardwick moved that the budget be amended to include an increase in salary for the Secretary to the Director of Missions, the amount of increase to be 5%, or a total of $6600.00 annually. The motion to amend was voted upon and carried.

We then turned to the original motion. Statement was made by Robert Bogart that the amount listed in the budget for printing the 1989 Annual was less than the amount which would be needed; that he had secured one estimate which was not final because it would depend upon the number of pages and other factors. Suggestion was made by Mr. Prevatte that the matter be referred to the Executive Board for appropriate action as at this time we do not have a definite figure to work with. The motion that we adopt the budget as presented, including the amendment to increase the secretary's salary, was voted on and duly carried.

It was moved and seconded that the Committee's report be adopted. Following a short discussion the vote was taken and the motion carried.

E. J. Prevatte, Chairman of Committee on Incorporation, made a progress report. He stated that the Committee is of the opinion that at the present time the Association has full liability coverage on its employees; that this is not a final conclusion, but that the Committee is continuing its study of the matter and will report at either the January or April meeting of the Executive Board.

Several announcements were made followed by the report of the Nominating Committee. Motion was made to adopt the report as given, seconded and duly carried. There were no nominations from the floor.

The Director of Missions further mentioned that the insurance company will no longer insure the present Associational office and its contents until three problems have been corrected: (a) a new roof; (b) several more electrical outlets; and (c) the installation of fire extinguishers.

EXECUTIVE BOARD MEETING
1/11/88

The Executive Board of the Brunswick Baptist Association met in its regular quarterly session on Monday night, January 11, 1988, at the First Baptist Church of Woodburn, Leland. The Rev. J. Bryan Dosher, Moderator, presided.

Following the singing in union of the hymn, "When We All Get to Heaven", the Rev. S. L. Doty, pastor of Woodburn, brought our devotional thoughts using the 13th Chapter of I Corinthians.

The minutes of the October 12, 1987, session of the Executive Board were read and approved as read. The Clerk then reported on the progress being made toward publishing the Annual for the church year which ended 30 September 1987.

There was no old business to come before the body, and the Moderator proceeded to call for reports. The Rev. Vic Potter reported from the Missions Performance group, as set up under the new constitution and by-laws. Mrs. Rebecca Chapman announced the Children's Bible Drill set for Faith on January 18, 1988, at 7:00; the Rev. Doug Ponder announced the Sunday School Leadership Training School; and J. Tyler Potter announced the Annual Brotherhood workshop to be held January 29, 1988, at Mill Creek. In the absence of the WMU Director no report was given.

A written financial report was handed out for information purposes only.

It was reported that the Jennifer Brown Emergency Care Home is for sale at the price of $72,500; that it is on open listing and anyone who sells it is entitled to the commission on the sale, and that the keys are at the Associational office.

The Director of Missions gave his report, written and verbal and made several announcements, especially concerning the Bivocational Pastors and Churches Dinner Meeting on January 21st, and the Stewardship Emphasis April 15-30, at which time State Stewardship workers will be available to the individual churches on a request basis.

In his written report the DOM asked for formal action on suggestions as follows: (1) That we accept a gift to the Association in the amount of $600 earmarked "Benevolent Fund" from the Rev. Everette Weaver and that a letter of thanks be sent to Mr. Weaver; (2) That the gift was motivated by the needs of a ministerial student, Stephen Burrow, formerly pastor at Bolivia Church and DOM asked that we authorize the Assoc. Treas. to send a check to Campbell University in an amount sufficient to cover Stephen Burrow's outstanding debt at Campbell; (3) That the balance left in the Weaver gift be used to establish a continuous fund for Aid to Ministerial Students when such is needed; and (4) That Mylan Pressnell be asked to serve with the DOM to explore ways of raising additional money for this Fund and also in the disbursement of the Fund. Separate motions were made for each request, seconded and duly carried. It is understood, as stated by the DOM, that this fund can be used to help any ministerial student at any college, university, seminary, Fruitland Bible Institute, Seminary Extension courses, or Fruitland Bible Insitute Extension.

The Building and Planning Committee Chairman, Richard Holbrook, made his report in detail, with a drawing of the proposed Resource Center. He stated that working drawings and artist's rendering are in hand at a cost of only $500.00 rather than what could have been $8,000 to $15,000. He further stated that the projected cost for the Center, as shown on the plans, and not including furnishings, is $150,000.00. He

then asked for authorization to go out and get bids on the contract. Motion was made, seconded and duly carried that the Building Committee be authorized to seek bids.

Mr. Holbrook announced that the Committee could expect to get the bids in quickly and stated the Committee would like for us to have a special called meeting of the Association on Monday, February 22, in the evening, to hear the report on the bids and to take the necessary action. Motion was made, seconded and carried that the special meeting of the Association be called on February 22, 1988 for the purpose of hearing a report on the bids for the construction of the new Resource Center and to take whatever action it desired. The place is to be set by the Moderator and the required notice to the churches will be given as set out in the Constitution.

Following a request and short discussion, motion was made, seconded and carried that the Clerk to the Association send out to each church a copy of the minutes from each Executive Board meeting. The first set of minutes sent out in compliance with this may be mailed by the Associational Office. The expenses for future mailings will be taken up later with the Finance Committee.

A request was made that we furnish each church with a photograph of the proposed Resource Center and a drawing of the floor plans. Mr. Holbrook is to look into this.

The business session was adjourned and the Rev. Mr. Doty invited us to the fellowship hall for food and fellowship, which was especially welcome on such an icy evening.

Mr. Prevatte asked that the matter be brought to the Annual Session in October for action. (2) It was further recommended that the Treasurer be authorized to reimburse churches who had contributed funds for the printing of the minutes now missing. David Woodley made a motion that only the churches requesting same be reimbursed. The motion was seconded, discussed, voted upon and carried. (3) Merlin Boone gave a re-report on the sale of the Jennifer Brown Home. The DOM gave out copies of the closing statement, showing collections and disbursements.

The Moderator then called for announcements and reports which were given as follows: (1) Wayne Trexler announced the coming Evangelism Conference to be held at Southport on Sept. 8; (2) Ruth Galloway, Treasurer, gave the financial report; (3) Moderator announced Open House at Resource Center to be held on July 17, and Dedication Services on August 21, at the Supply Church, with Dr. Roy Smith, State Convention executive officer, as guest speaker; (4) Margaret Clemmons announced and Associational Media Center meeting for July 19 at Faith; (5) Rebecca Chapman, Church Training Director, presented the "M" Night banner to representatives from Oak Grove Church; (6) Bill Greer announced a Choral Clinic for Aug. 22 and 23 at Supply with Charles Storey of the State Convention leading. He stated that the Associational Christmas Cantata would be introduced at the Clinic; (7) Tyler Potter, Brotherhood Director, asked for volunteers to help clean the Resource Center yard; (8) Associational Sect. announced a "yard sale" to be held at the Resource Center to dispose of items and equipment no longer needed; and (9) As a surprise, "Happy Birthday" was sung by the body to the Moderator and Vice Moderator, who share a birthday.

The Moderator then called for a report from the Building Committee. Richard Holbrook, Chrm., stated that final payment had been made to the contractor in the amount of $25,065.03, or $885.03 more than was authorized by the contract, but stating that the overage covered a security system, water tap-on fees and door bells. It was recalled that the committee had been authorized to spend up to $2,000 additional for unexpected expenses.

Mr. Holbrook moved that the expenses to Inman & Company for heating and air conditioning for the upstairs portion (which had not been included at the time the contract was signed) in the amount of $1950 be paid, and that a bill to Yaupon Electric in the amount of $101.99 be paid. His motion was seconded, discussed, voted upon and carried.

Mr. Holbrook further moved that the Resource Center grounds be landscaped

according to plans drawn by David Lloyd (the plans including irrigation system), at an estimated cost of $3000. Holbrook also volunteered the use of equipment from N.C.Baptist Assembly. The motion was seconded, discussed, voted upon and carried.

Holbrook added that a waiver of lien had been signed and was being turned over to our Treasurer to keep with the other building records.

James Whitworth, Chrm. of the Properties Comm., stated he had received bids from insurance companies, the lowest being from Coastal Insurance at $747 for annual premium; that the valuations used are Building $150,000; contents $50,000 and liability insurance at $1,000, 000.

Whitworth, upon recommendation of the Properties Comm., moved that a set of guidelines be established for the use of the Resource Center; that the Center be used only for Associational activities until the Properties Comm. can formulate guidelines for consideration and approval by the Association. The motion was seconded, no discussion, voted on and carried.

The DOM reported that furniture for the Resource Center is to be purchased in High Point, N. C. for $12,000.

Whitworth moved for permission to hire someone to clean the new Resource Center until the Annual Session in October. The motion was seconded, no discussion, voted on and carried.

The DOM gave his report and complimented the Executive Board on the Christian spirit in which the business concerning the new Resource Center had been conducted. He noted that the Fruitland Extension classes would begin on October 4 and run through December 17 at the Center.

V. C. Potter, Jr., Chrm. Nominating Committee, presented the proposed slate of officers for 1988-89. Motion was made that same be adopted as read. Motion was seconded, no discussion, voted upon and carried.

Donald Hardwick, President of Pastors' Conference, moved that a committee be appointed to look into the feasibility of incorporating the Association, the said committee to be appointed by the Moderator. Motion seconded, no discussion, voted on and carried. Rev. Hardwick also moved that a letter of appreciation be sent to Supply Church expressing thanks for the use of their building for so many associational activities. Duly carried. He recommended that the upstairs area of the new Resource Center be completed, carpeted and painted. Frank Lennon made the motion, it was amended by Merlin Boone to include that up to $5000 be spent for the work. Motion was seconded, no discussion, voted on and carried.

David Woodley presented a written resolution that the body enter a protest as to the nudist colony known as Coastalina Pines in the southwestern part of the county. No action was taken.

E. J. Prevatte made a motion that the Treasurer obtain a safety deposit box at the Association's bank for the storage and safekeeping of important documents. Seconded, no discussion, voted upon and carried.

Donald Hardwick moved that the Moderator appoint a committee to study and report to the Association in October as to a set of guidelines for ordination procedure as related to the Association. Motion seconded, no discussion, voted on and carried.

Motion to adjourn was duly carried and the meeting was closed with prayer. The host church then served refreshments in the Fellowship Hall.

BRUNSWICK BAPTIST ASSOCIATION
ANNUAL SUNDAY SCHOOL REPORT
OCTOBER 20, 1988

Your associational Sunday School organization had a busy year. In February we attended a training event in Cary at the Baptist Building. There we began an eventful year of work in the association.

The following calendared events took place:

March 14 - 15 -------- Spring Training School

April 19 ------------ V.B.S. Clinic

May 26 -------------- Curriculum Clinic

September 12 - 13 ---- Fall Training School

October 3 ----------- Clinic at Peace Memorial Church

October 25 ---------- Clinic at Oak Island Church

It has been a pleasure to work in the Brunswick vineyard this year. Call Doug Ponder at Calvary Church if you have need in your Sunday School.

Please note this upcoming event. Put it on your church calendar. An associational Sunday School Enlargement/Improvement Campaign November 4 - 12, 1989. We will have a growth specialist from Nashville, Tennessee to lead us. Churches which vote to participate will be assigned a consultant to come and be in those churches for five days to help us have better Sunday Schools. More information later.

Respectfully Submitted,
Doug Ponder, Assist Leader

A Century to Celebrate! This has been a year many of us in WMU will never forget. We have praised God for the work He has allowed us to do and worked harder to achieve the spreading of His gospel.

Workshops for training were attended by persons from 31 churches. Foreign and Home Mission Study Courses were conducted in 21 churches. All of the churches participated in the N. C. Prison Ministry and the Country Store at Brunswick Village & Ocean Trail Rest Homes. Acteens, GA's and Mission Friends experienced Mission Action.

In January, the Extra Training Session was well-attended by Baptist Women. The Acteen Banquet at Mt. Pisgah was the highlight of the year for many Acteens. Amanda FormyDuval of Friendship was chosen Acteen of the Year. The Pastor/Staff/WMU Appreciation Banquet was held at Antioch on Feb. 20. GA Overnight Camp at Caswell was a big event in their lives. Many of the ladies from throughout the association attended the State WMU meeting in Greensboro. Ruby Pressnell of Calvary came home elated. She had the privilege of hearing the same speakers she had heard and been blessed so by at the first meeting she attended many years ago.

The Mission Friends /BYW Picnic provided fun and inspiration even though attendance was sparse.

We were represented at the Centenniel Celebration in Richmond, Va. by Mrs. Ethalene Hawes who proudly carried the banner for the Brunswick Associational WMU. Our Joint Celebration of the Centennial and Annual WMU meeting was held at Supply Baptist. The costumes, the banners, the quilts, the food, the setting was fabulous. Greater than all these though were the prayers of thanks for those

who had made this a Century to Celebrate; a century where dedicated women had used their time, talents and tithes to carry out the Great Commission!

With humble hearts of love and thanksgiving we stand on the threshold of a Future to Fulfill.

In His Service,

Jackie Smith, W. M. U. Director

Remember to keep praying for our Baptist Men and Royal Ambassadors to get involved if Southern Baptist are to reach their goal by the year 2000, everyone must get involved.

REPORT OF MUSIC DIRECTOR

The highlight of our Associational music year was the presentation of the Christmas musical at Caswell Assembly. As our voices swelled in triumphant praise at his birth, we echoed the joy of the angels.

Our musical potential is great; we are limited only by our lack of vision. Let's make the future in song as bright as the promises of God through Christ Jesus.

Respectfully submitted,

William Greer, Music Director

SENIOR ADULT DEPARTMENT ANNUAL REPORT

We give all the credit to our Lord Jesus Christ for our Senior Adult Department and all its success during the past year. Without Jesus, we could do nothing.

Our county-wide Senior Council is doing great. We work for and with all Senior Citizens throughout Brunswick County. A Baptist was our first President and now we have a Methodist that is president. We have also added two Baptist churches to our group during the past year.

We had Senior Day in the Spring and Fall this year. The Spring Senior Day was great, but the Fall Day was even greater. We had over 500 Seniors enjoying the fun and fellowship. Many trips have been enjoyed by our Seniors this year with the help of Parks and Recreation.

Pray that our Seniors, especially those that have not accepted Jesus as their Saviour.....our Senior Adult Department that we might do more than ever we have before for our Lord.....winning lost souls to Jesus our Lord. Prayer changes things.

Respectively submitted,

Ouida H. Hewett, Senior Adult Coordinator

MISSION PERFORMANCE DIRECTOR'S REPORT

Our directors group met quarterly during the past year. Because of the new organizational structure, the first meeting was used to orient our leaders to their responsibilities. In succeeding sessions, work was done in the formation and implementation of a program of work that will enhance the total ministry of the local church.

It is a pleasure to have a part in this very serious and important task of assisting churches in fulfilling God's purpose in our association. We have sought to be diligent in our efforts to provide the very best help possible.

With the enthusiasm generated by the construction of a new, debt free, Resource Center, and the beginning of a structured program of Bible study, in the Coastal Baptist Bible Study Center, we believe that Brunswick Association is on the threshold of her greatest days of ministry as we honor Christ by serving mankind. We believe that we are making a difference in people's lives.

We covet your prayers as we seek our Lord's Leadership in all we do.

DIRECTOR OF MISSIONS' REPORT

As we come to this 90th Session of the Brunswick Baptist Association, I am delighted with last year's achievements, am thrilled over the current events and am excited regarding our plans for the future.

SUMMARY OF ACTIVITIES

During the year 1987-1988 your DOM has: 1) Traveled 24,908 miles on the field and 4,120 miles for the association out of the county for a total of 29,028 miles; 2) Supplied 16 church pulpits; 3) attended 12 pastors' conferences and 8 pastors' luncheons; 4) participated in the Caraway Pastors' Retreat, the Pastors and Spouses Christmas Party, and the Pastor's Prayer Breakfast; 5) attended 4 Executive Board Meetings, the Annual Association and a special called session of the association; 6) met with 4 sessions of the Missions Performance Group, with 4 DOM Cabinet meetings and 35 associational committees; 7) participated in all W.M.U., Brotherhood, Sunday School, Church Training, Music and Youth meetings; 8) met with 12 "Search Committees" of 5 churches; 9) met with individuals and groups in 68 personal conferences; 10) participated in 2 Bivocational and Small Church Conferences, Stewardship Emphasis, and Evangelism Conferences; 11) preached in two church revivals; 12) participated in the Ground Breaking Service, the "Open House" and Dedication of the new Resource Center; 13) launched the associational sponsored Coastal Baptist Study Center; 14) attended 3 Region #3 DOM meetings, the DOM Conferences at Caraway, Wingate and at Caswell; 15) attended the Ridgecrest Key Leadership Conference, the Baptist State Convention of N. SOME HIGHLIGHTS

Let me make references to a few of the several "highlights" of last years efforts.

1- REORGANIZATION OF THE ASSOCIATION: At the Annual Session last fall we launched and implemented a complete revision of our associational organizational structure. This has proven to be an impressive forward movement.

2- RESOURCE CENTER: Words are inadequate to express my deep appreciation for the spirit of unity, dedicated leadership and financing of our new Resource Center. Few, if any, associations have equal facilities. To complete this much needed building in the spirit exemplified and dedicate it "debt free" is almost a miracle. Our prayer is this building will be a "house of God" and used greatly by the people of the Brunswick Association.

3- COASTAL BAPTIST STUDY CENTER: Coastal Baptist Study Center, an affiliate of Fruitland Baptist Bible Institute and the Southern Baptist Seminary Extension is a more meaningful name than the one given in the beginning.

Baptists have always been interested in education. The idea of bringing the school to the people instead of sending the people to school campuses offers a greater challenge to both pastors and laity of our area.

The response has been terrific and the future looks bright through this opportunity.

AS I CLOSE THIS REPORT I WANT TO THANK YOU FOR YOUR PRAYERS, SUPPORT, INTEREST AND FOR BEING SO VERY GOOD TO YOUR DIRECTOR OF MISSIONS.

Sincerely,

SHALL WE IMPROVE IN THE BRUNSWICK?

INTRODUCTION

1. SUBJECT:

"SHALL WE IMPROVE IN THE BRUNSWICK?" is not only my subject for this moment but is also a question each present needs to give an answer to currently.

2. "HAMLET"

In Shakespeare's play, "Hamlet"; Act III; Scene 1; Line 56 says

"To be, or not to be, that is the question!"

Like this character in Shakespeare's play we may be in doubt as to exactly what to do as we face the future in the Brunswick - but a decision must be made.

3. MAZZINI

Giuseppe Mazzini, the Italian leader faced with the struggles of unity in Italy said:

"Slumber not in the tents of your father-
The world is advancing. Advance with it."

No better suggestion can be made at this time in the Brunswick for the world is advancing and we need to advance with it in this county.

"SHALL WE IMPROVE IN THE BRUNSWICK?" This is a lead to another very important question we must frankly face.

I. DO YOU WANT A BETTER ASSOCIATION?

1. JOHN 5 WILL HELP US AT THIS POINT

Jesus saw a man lying by a pool where many sick and handicapped people regularly gathered. The man had been sick for 38 years and had been coming to lie by the pool for a long time in hope of receiving imporved health.

Just about anyone would assume that all the people who gathered there wanted to be well and strong. But Jesus asked, "Do you want to be healed?"

Just about everyone would assume that all who have assembled at this Annual Association wants to improve the Brunswick. But following the lead of Jesus's example, let us ask "Do you want a better association?"

2. "BETTER?"

What is "better?" First, "better" is not in reference to some other association. "Better" means improvement in our association. "Better means being in the process of becoming more faithful, effective and efficient in fulfilling the mission of this association.

A "better" association will be:

II. CHARACTERIZED BY AT LEAST FOUR CONDITIONS

1. THE FOUR CONDITIONS ARE:

1) intentions are known and shared;

2) churches are involved and sense a "togetherness";

3) leaders are serving with commitment and competence; and

4) significant achievements are both experienced and perceived.

2. THESE CONDITIONS BEGIN WITH "YOU MUST"

"YOU MUST!:

1)"want to"; 2) "know how to"; 3) be able to"; "plan to"; and "work to".

Improvement will come only when SOMEONE "wants to". The "want to" is necessary but not sufficient.

Improvement comes only with a "know how to". Paul spoke of a zeal without knowledge. Romans 10:2.

Improvement is limited to "being able to." This includes the size and strength of the churches, available leaders, resources and the

degree of training and dedication of the leaders.

Improvement comes when "plan to" is put into action. But there is no result unless we "work to" improve.

Assuming there is a desire to improve let us begin with:

III. REWARDING THE PASTOR

In Bible times the priest who served God in the Temple received a designated portion of the burnt offering; the sin offering; the trespass offering; the meat offering; the peace offering; as well as the firstfruit of grain, the vine, the fig tree, the pomegranite tree, the olive tree, and the honey.

1. THE OLD TESTAMENT SPEAKS

Jeremiah 22:13 says, "Wo unto him that uses his neighbor's source without wages."

Proverbs 3:27 says, "Withold not goods from them to whom it is due, when it is in the power of thine hand to do it."

Deuteronomy 25:4 says, "Thou shalt not muzzle the ox when he treadeth out the corn."

All of this was under the law. Now the Church of our Lord Jesus Christ speaks under grace. It goes beyond the law.

2. THE NEW TESTAMENT SPEAKS

Timothy 5:18 tells us that "The laborer is worthy of his reward."

Luke 10:7 says, "The Laborer is worthy of his hire."

If a church is to reward its pastor in keeping with this New Testament grace it should provide adequate financial reward so that his family can live in dignity and should prepare to help the pastor and spouse live in dignity rather than poverty even in his retirement days.

3. MY SUGGESTION TO YOU IS CONSIDER THE FINANCIAL NEEDS OF YOUR PASTOR AS YOU DRAW UP THIS YEAR'S BUDGET.

The least you should do is to reward him with a 5% cost of

living increase. "How does your pastor's compensation compare with other leaders in the community such as: doctors, school superintendents, CPA'S, the County Sheriff, the Chief of Police, the attorney and contractors

DO YOU WANT A "BETTER" ASSOCIATION? Then help improve it by:

IV. INCREASING YOUR CHURCH CONTRIBUTION TO THE ASSOCIATION

The Brunswick has done extremely well in meeting the financial needs of the association. To dedicate a "debt free" Resource Center like the one we have constructed is remarkable!

However, we must face the fact we have more grounds and a much large building to care for in the days to come. This requires additional financial support.

With this new facility we should now turn our attention toward a greater interest in the missionary efforts possible to us in the Brunswick and in love and compassion begin new work in the areas where it is most needed.

Believing you want to improve, that you want to "do better" and that you want to accept the challenge God has opened to us, let me say strongly it is my hope you will respond to this new challenge by giving at least 5% of your offering plate dollar to the association to be used for the glory and work of God as He opens to us new doors of opportunity.

So you want to "do better!" Then:

V. TAKE ADVANTAGE OF THE MANY OPPORTUNITIES OFFERED TO YOU THROUGH THE BRUNSWICK ASSOCIATION

1. THE MISSIONS PERFORMANCE GROUP OFFERS TO YOU GREAT CHALLENGES IN 1988-1989.

Exciting and challenging training sessions, conferences, clinics and resource materials are available to you through this group.

Lead your people to attend these by clearing your calendar so

there is no conflict. Encourage them to take part in these activities.

2. COASTAL BAPTIST STUDY CENTER IS DESIGNED FOR YOU.

The name used currently is significant. The Coastal Baptist Study Center, An Affiliate of Fruitland Baptist Bible Institute And The Southern Baptist Convention Seminary Extension gives us a strong tie to these two institutions.

Webster defines "affiliate" as a "member of" or "branch of" and suggests it means being adopted as a son.

I shall not repeat the figures given to us by the Director, Brother V. C. Potter, but I want to say it is fantastic for the first quarter to have reached far more students than expected.

The next quarter begins in January. It is our hope to add a course in Music and a course in Missions. Brother Bob Watson has agreed to teach the Missions course during next quarter.

Baptist have always believed in education. That is why we have so many colleges, universities and seminaries. But the idea of taking the school to the people instead of asking the people to move to a campus gives us all a better chance to improve our skills.

CONCLUSION

Just as a pastor deals with his people as a caring individual and as a friend, your Director of Missions is in a sense as pastor to pastors. Please let me help you, brother pastor!

Days may come when the outburst of Moses to the Lord will echo in heart:

> "Wherefore layest the burden of all this people upon me? Have I conceived them? Have I begotten them? I am not able to bear this people alone. They are too heavy for me."

Should such a feeling ever grip the heart of your Director of Missions you will be there, I am sure, praying for him, encouraging him, affirming

him! When we, you and I, walk with the Lord and talk with the Lord we know no fear of the future. For out God is with us and he will sustain us in all we attempt to do in his name and for His "Glory."

"ALL THINGS ARE POSSIBLE
THROUGH HIM WHO GIVES US STRENGTH."

The dream has become a reality! For some time it has been the dream of pastors and laity of this area to have available to them the means of furthering their education in skills that would better fit them for places of leadership in their local churches. The dream has become a reality! After months of planning, scores of conferences with individuals, pastors' conferences, Director of Missions leadership groups, and scores of lay people, the Coastal Baptist Bible Study Center opened its doors for classroom instructions October 4, 1988. It has been an exciting time! We have become more and more enthusiastic and, hopefully persuasive about a ministry that can elevate the life-style of Christian people in southeastern North Carolina to new and greater heights. We have the possibility of fulfilling a glorious future through the investment of our time, effort, and financial resources in a good work that will have a lasting impact upon pastor and laity alike. II Timothy 2:15 states, "Study to show yourself approved unto God, a workman that needs not to be ashamed, rightly dividing the word of truth". My appreciation to the association for the unique opportunity of service and to the congregation of Town Creek Baptist Church for allowing me to serve our Lord in this capacity. REPORT OF ORDINATION STUDY COMMITTEE

In order to establish a policy for ordination within Brunswick Association, it is recommended that the following procedure be followed:

Should the need arise for ordination within a local church in which a Candidate is serving, that church should submit a written request to the Ordination Committee of the Association requesting the Committee to establish a mutually agreed upon time for the examination of the Candidate. Upon receipt of the request, the Ordination Committee will furnish the Candidate with a form requesting biographical information on the Candidate. This information should be returned to the Committee in sufficient time to allow study by the Ordination Committee prior to the time of the scheduled examination. After examination, the Committee will then recommend to the requesting church its approval or disapproval for ordination. It is understood, of course, that ordination is a function of the local Church and not the Association and that the Association has no authority to actually approve or disapprove ordination of any candidate. The Ordination Committee of the Association is formed for the sole purpose of recommendation upon request.

HISTORIAN'S REPORT

Special forms were mailed to the churches for the gathering of information for the Historian's report. Not all of the forms were returned, but from those which were returned and from information given on the church letters to the Association it was learned that the churches were growing, especially in the number of baptisms. Several churches had held revivals, staff members had been called, and pictorial directories had been published by two churches. A member of the Gospel Center Church, Mrs. Gayla Varnam, together with Rev. and Mrs. Hayden Cartner, had made a trip to Brazil as a part of a volunteer missions team.

Many of the churches in the Association were reaching out to the needy in their area, furnishing food, clothing and money in many instances. Antioch reported a special Independence Day celebration which has now become an annual occurrence for them. They also held an Awareness Conference on Buddhism as a result of a Buddhist Center which is being built near the church.

1988 EVANGELISM REPORT
Brunswick Baptist Association

Evangelism has been defined as..."One beggar telling another beggar where to find bread. Jesus said, "I am the Bread of Life". You and I have the great privilege of sharing the Bread of Life with other people.

Your Evangelism Council functions to provide helps and opportunities that will enable Brunswick Baptists to do the best possible job in evangelism.

We all know that there are thousands of people in Brunswick County who have not received Jesus Christ as Saviour and Lord. Our county is one of the fastest growing counties in North Carolina.

We must do the very best job we can in introducing our neighbors, our fellow workers, our family members, our friends to Jesus Christ. Those who know must tell those who don't know about Jesus.

Over 200 Brunswick Baptists attended our associational Evangelism Conference September 8 at Southport Church. Conferences were held on "Discipling the New Convert", "Sunday School and Evangelism" & "Practical Approaches to Visitation". Guest leaders included A.L. McGee, Steve Hardy & J.W. Hutchens. An associational choir and men's quartet provided music. Our 1989 Associational Evangelism Conference is being planned for February 27.

1990 is the year for our next Southern Baptist Convention-wide Simultaneous Revival. The Theme will be "HERE'S HOPE. JESUS CARE FOR YOU." The suggested dates for Eastern North Carolina are March 18-25, 1990. State and National publicity will share the event with our entire county as Southern Baptist Churches all over the country will be sharing the Good News - HERE'S HOPE - JESUS CARES FOR YOU!

Your Evangelism Council will be working next year to help us do the best possible job in preparing for this revival effort. It will take concentrated praying, planning and preparing as we anticipate as great time of revival among God's people and the salvation of lost people. In this connection your Evangelism Council would like to offer the following motion for your consideration during this annual meeting of Brunswick Baptists: We recommend that the Brunswick Baptist Association participate in the Here's hope 1990 Simultaneous Revival Emphasis.

REPORT OF RESOLUTIONS COMMITTEE

We wish to express our appreciation to Friendship Baptist Church and to Mt. Pisgah Baptist Church for their gracious hospitality and warm reception at this Annual Meeting of the Brunswick Baptist Association.

We further wish to give thanks to God for the blessings He has bestowed on our Association - for the lovely and adequate building He has provided for us as a Resource Center and for the warm fellowship that exists among our many churches as we share in the use of this building.

We also express gratitude for our new school - Coastal Baptist Bible Study Center - and for the splendid faculty that we are privileged to have in our Association.

"To God Be the Glory, Great Things He Has Done".

Respectfully submitted,

REPORT OF PLACE AND PREACHER COMMITTEE FOR 1988-89 ANNUAL SESSION

FIRST DAY	October 19, 1989	SOUTHPORT BAPTIST CHURCH
PREACHER TO BE ANNOUNCED		
SECOND DAY	October 20, 1989	CALVARY BAPTIST CHURCH
PREACHER TO BE ANNOUNCED		

With 17 programs of work assigned to the Sunday School Board by the Southern Baptist Convention, it would be easy to see the heart of the church programs and publishing board's work as programs. However, President Lloyd Elder told messengers to the 131st meeting of the Southern Baptist Convention in San Antonio, Texas, that people must always be the focus of all the Board does through its programs.

"Sunday School and Church Training curriculum must be planned, written and edited with a biblical base to help change the lives of people," said Elder. "Scriptures must be made available at the lowest possible cost for our Southern Baptist people to share with others who need to hear and respond to the Gospel message. And we must make it as easy as possible for people to obtain literature and other products."

Effective March 1, 1988, Southern Baptists can order virtually any product the Board produces or sells by calling 1-800-458-BSSB. The advantages of this process are toll-free ordering and reduced response time to the customer. Also, churches may order literature via computer with the EASY Church Order System. Churches using this system either with their own computer or those in Baptist Book Stores may receive a five percent discount on their church literature orders.

To illustrate the scope of the work of the Sunday School Board, a total of 208,514 telephone and mail orders and inquiries were received during the first six months of 1987-88.

A major new product to meet the needs of people is the Disciple's Study Bible released in June 1988 by the Holman Division in cooperation with the Church Training Department. Study helps focus on 27 great doctrines of Southern Baptists.

Also, for the second consecutive year, the Board provided free to messengers attending the Southern Baptist Convention copies of New Testaments to use in witnessing to people they encountered in San Antonio.

Increasing the evangelistic focus of Southern Baptist Sunday Schools is a continuing focus of the Board's Sunday School Division. By October 1988, the plan of salvation will be included each quarter in all Sunday School lesson periodicals, Sunday School leadership and devotional magazines and Vacation Bible School materials.

Work has begun through the Church Music Department on production of a new Southern Baptist hymnal to be released in 1991.

A reorganization of the Church Administration Department was completed to give increased leadership and support for church growth.

Approximately 6,500 Southern Baptist single adults attended a national convention Memorial Day weekend in Nashville sponsored by the Family Ministry Department.

Writers are being enlisted for a new 40-volume Bible commentary to be published by the Broadman Division with the first volume expected to be released in 1991.

A total of 145 college students and campus ministers participated in a USA-Brazil global missions project in January 1988, a cooperative effort of the Board's Student Ministry Department, the Foreign Mission Board and the Brazilian Baptist Home Mission Board.

"Through our programs for people, we emphasize the nurturing of life through the study of God's Word, we seek to motivate and support the task of reaching people, and we challenge pastors, church staff members and volunteer leaders to see themselves as God's servants in the ministry of changing lives," said Elder.

Report to the Association
Baptist Children's Homes of North Carolina

You took the time, you cared. You gave much when you didn't have to. In behalf of Dr. Blackwell, the children in care, our staff and trustees, thank you for your prayers, your caring and financial support. You are special to this child care ministry.

A major thrust beyond our quality child care this year was the completion of our Long Range Plans. To continue being bold in child care, several challenges were accepted by our staff and trustees from the results of our five-year LRP. We plan to add two emergency care homes - another one on the Kennedy Home campus and one where the need is greatest. The Cameron Boys Camp will be expanded to care for 50 boys. Two specialized small group homes will be opened by early 1989 - a teenage mother-baby home and a behavior change program for teenage girls in Lenoir.

Fifty percent of our children have had little or no spiritual training prior to their being in our care. We rejoice that 79 were baptized into the family of God. Our ministry is "Missions in Miniature."

To meet these challenges and continue the current ministry to children, our budget must move from seven million dollars (which it has been for five years) to 11 million dollars by 1992-93. We hope that by 19 3, the Baptists of North Carolina will be giving fifty per cent of our daily operating budget. Currently we receive 34 percent. This can be achieved by increasing church receipts through the Cooperative Program, the Homes & Hospital Offering and designated gifts from churches and individuals. The future of child care in North Carolina is in the hands of the Baptists of our great state. We believe they will meet the challenge.

BAPTIST FOUNDATION
REPORT TO THE ASSOCIATIONS 1988

For several years, Montagress Mercer has provided an example of estate stewardship which members of the Foundation staff have often related, but always without revealing her identity. It was her wish that "nobody know". Mrs. Mercer died this spring. We can now share her name as well as her testimony. It was her wish that "Lottie" should have her farm. To accomplish that, the farm was deeded to the Foundation but she retained all benefit from it for as long as she lived. As the plan for doing this was explained to her and the possibilities unfolded, she clasped her hands together and exclaimed, "I'm so happy!" Now her happiness has been justified. That which she desired is now a reality: the income from her trust will be paid forever to the Lottie Moon Offering. It is incidents like this which tell the story of Baptist Foundation. Facts, figures and statistics have their place, but the people behind them are the real story.

Another unique expertise provided by the Foundation is in helping to analyze a person's total estate picture and assisting them in their complete plan of estate stewardship. Sometimes, a person only wishes to make a modest gift in trust for one specific cause and then is content. Often, however, the person realizes that both his family and Baptist causes he loves can derive a greater benefit from his estate, if his plan includes all of it. It may require more than one type of trust and nearly always a Will that capitalizes on the best possible planning. One couple, utilizing the Foundation's expertise for total estate planning, rather than making piece-meal plans and small bequests here and there, took full advantage of the tax laws available for them and provided fully for their son and the Baptist causes which they desired to support. Their satisfaction now comes from a coordinated estate plan. It is in total estate stewardship planning, not in "getting a gift", that the Foundation renders the greatest service.

The "unfunded" trust simplified planning for many persons in the past year and continues to provide a way to help meet the objectives of many stewards. The trust document is prepared to incorporate the provisions of the trustor's wishes. It will not take effect, however, until the individual is deceased. Then their Will provides the funding, most often the residual estate being assigned to the trust, hence the term "unfunded". The individual has the joy of having a plan in place, all signed and legal.

Marjorie has updated her Will this year and created an "unfunded" trust. At her death, her entire estate will fund her trust. For a definite period of time thereafter, her family will receive income from the trust. At the end of those years, the income will support Baptist work forever. As she was discussing this with the staff, a new option became available to her. Her church established a Foundation trust whose income, when it is received by the church, will support local missions,

the Lottie Moon offering, a church scholarship fund, and assist with capital improvement and maintenance of its historic building. Marjorie named that church trust fund as the beneficiary of her unfunded trust. To her, happiness is having an accountable plan in place for the accountable steward.

The Baptist Foundation added 62 new trust funds to its numbers in 1987. Gifts to trust increased its holdings to a record $14,452,258. Trusts already in place provided $578,697 in support of Baptist causes. As important as these statistics are, a significant aspect of The Baptist Foundation program is that it provides individuals, such as Mrs. Mercer, with an avenue for continuing their support of Christian causes beyond their lifetime.

I. MISSION

The Baptist Retirement Homes of North Carolina, Inc., began operation in 1951 with a charge to provide a Home for "Aged Saints" in the spirit of Christian care. The mission of the Homes continues to be that of providing quality residential opportunities for Older Adults within a Christian context.

The foundation of the ministry is based in the Gospel of Jesus Christ, for in the Gospel is a message of healing and wholeness. The Homes believes this message offers Older Adults the meaning, purpose, and dignity needed to enrich their lives.

The hallmark of the Homes' ministry is the quality of its care. It is a distinction that is present at all levels, in all locations, in all services. The Homes takes seriously its responsibility to make its residential opportunities available to Older Adults across the State and to be continually responsive to the needs of Older Adults as those needs expand and change.

With that in mind, the Homes operates facilities in locations across the State: Asheville in the West, Hamilton in the East, Yanceyville in the North, and Albemarle in the Southern Piedmont. A multi-level care facility in Winston-Salem currently services the needs of Older Adults from all over the State.

Older Adults have differing needs, and the level of care for any single individual necessarily changes as time passes. It is for this reason that the Homes offers independent living in an apartment setting, personal care for those who require some assistance with daily living, and two levels of nursing care.

II. NEED

According to a January, 1987 Report of the Office of State Budget of the State of North Carolina, the number of North Carolina citizens age 65 and over will increase by 203,935 (28.9%) by 1995 and 286,831 (40.6%) by the year 2000.

Statistics for the North Carolina Baptist Older Adult Population are even more dramatic. The percentage of increase for the 80-plus age group in Baptist Life (those individuals most likely to need residential care) is predicted to be more than 50% by the year 2000.

THE BIBLICAL RECORDER

Associational Report--1988

There is an old saying, "When Baptists know, Baptists will do." There is also an old saying, "Tell the truth and trust the people." The Biblical Recorder believes and tries to practice both!

In a rapidly changing world, it is more important than ever before that Baptists be well informed which is not easy in an age that is complex, busy and competitive. But we must never forsake the ideal.

Baptists, like the population in general, are watching more television and listening to more radio than they are reading. Somehow it just seems easier to watch and listen than read and think, but we must be informed and involved in the work of the Lord as Baptists do it....if we are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and greater commitment to the Commission of our Lord to win, teach and baptize persons.

As the Recorder informs it also gives opportunity for Baptists to freely exchange points of view. Baptists do not have a hierarchial form of church government and operation. Every person is important and opinions are valid in direct proportion to the accuracy of information upon which they are based. Democracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even in Baptist ranks, stability can be maintained only when good and sincere people know the truth and take their stand upon it.

To make it possible for as many people as possible to read the paper each week at the lowest possible cost, there will be no increase in subscription rates for 1988. If your church does not have the Every Family Plan, please consider it for 1989; the cost is only $5.00 per subscription for the year. Special introductory offers are available. Please contact:

God has given us a great opportunity and a great responsibility. Let us be informed about what is happening. Let us be involved in meeting the challenge, in being a part of the answer to take the Gospel to a lost world.

North Carolina Baptist College Report - 1988
Council on Christian Higher Education
Baptist State Convention of North Carolina

What Is A Baptist College?

First, Baptist colleges are colleges, places where teaching and learning take place. During 1987-1988 almost 18,000 students and more than 1300 faculty members worked at the task of making your Baptist colleges good colleges. A college cannot be a church any more than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

Second, the word "Baptist" tells what kind of colleges they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus for students.

Third, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the seven Baptist colleges. Some of these who met at one or more of our colleges during 1987-1988 are these: January Bible Study preparation; summer ministries orientation for students working with churches; youth ministry retreats; youth choir festivals and children's choir camps; pastors' schools; Christian studies for pastors and their families; senior adult rallies; Directors of Missions summer meeting; church weekday education workshops; Special Olympics for the mentally retarded; Church Training doctrine seminars; pastor support conferences; church incorporation seminars; WMU-sponsored Acteens meetings; RA track meets; Pioneer RA Congress; Baptist Young Men's Congress; Crusader RA Congress; Baptist Student days; construction of Mars Hill College chapel by N.C. Baptist Men volunteers; annual May meeting of the General Board and all committees; March meeting of the General Board's Executive Committee; and more.

The goal: CHURCH RELATED COLLEGES AND COLLEGE RELATED CHURCHES.

North Carolina Baptist Hospital
Report to the Associations
1988

Perhaps the word which best sums up the past year at Baptist Hospital is expansion - expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The $140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months, include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been $181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem,

Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs . . . as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

The faithful delivery of pastoral care, beginning within our Medical Center and reaching around the world, is the ministry to which we make renewed commitment.

Like most hospitals throughout the nation, Baptist has been faced with a critical shortage of nurses and other health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members. Among these are: a day care center for children of employees, wage and salary adjustments, weekend shift differential, weekend options program, case management concept, and a loan/scholarship program for students preparing for health care careers.

In January Dr. John Lynch, who had been president of the hospital for more than seventeen years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor. Mr. Len B. Preslar, Jr., who for many years has been vice-president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hospital received $659,062 through the Cooperative Program and $290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

ANNUAL REPORT TO THE ASSOCIATIONS

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

1988

The ministry of Applied Christianity needs committed Christians to "stand in the gap" for the cause of moral and civic righteousness.

GAMBLING--The greatest push ever for legalized gambling stands on the horizon. We have always had those who support a state-wide lottery and pari-mutuel (horse and dog tracks) gambling. It is only in recent months that you have major candidates for state-wide office in N.C. that embrace such proposals.

We have seen neighboring states like Virginia (lottery), Tennessee (pari-mutuel gambling), etc. to approve gambling initiatives due to the silence of the church.

In the 1987-88 session of the N.C. General Assembly, a lottery bill was defeated and a pari-mutuel gambling proposal died in committee.

The pro-gambling industry has hired lobbyists already on the scene garnering support for the 1989 legislative session. The fate of this issue will be decided on November 8, 1988, when voters go to the polls and elect their legislative leaders along with other key officials. Responsible Christian citizenship implies more than just voting but to be an informed voter. Billy Sunday put it this way: "The only thing worse that an empty voting booth is an empty head in a voting booth."

The Christian Action League will continue to keep you informed and working on the scene. It is difficult to be effective, though, when you elect legislators who are not committed to moral and ethical principles.

DRUNK DRIVING--Efforts will also continue in the area of alcohol, drunk driving, and other drugs. In the last session, several pieces of legislation that would have liberalized our liquor laws were defeated. Other measures dealing with drunk driving were virtually ignored or "sandbagged" by political maneuvers.

We are grateful for the passage of legislation creating a 0.04 blood alcohol level for drivers of commercial vehicles (trucks and buses). This becomes the strictest in the nation. Other vehicles have a 0.10 standard.

Drunk driving proposals, such as banning open beer-wine containers and increasing administrative revocation from 10 to 30 days for those having a 0.10 blood alcohol level or more, passed the House but got by-passed in the Senate. Who opposes such? The beer industry and certain trial lawyers who are more concerned about protecting drunk drivers than the safety of all citizens.

ABORTION--The issue of parental consent continues to be debated. The U.S. Supreme Court has upheld the rights of states to require parental consent before an abortion is performed on a minor. Attempts to pass such legislation in N.C. have been met with legislative "foot-dragging." Such bills get channeled into hostile committees where they die. A school teacher cannot even give a student an aspirin without parental consent, but a minor can be taken to an abortion clinic without the parent's knowledge much less consent.

Furthermore, N.C. remains the only state in the Southeast to use state funds to kill unborn babies. Legislation to limit state funding only to those cases involving the life of a mother, incest, or rape, has been rejected repeatedly.

TOPLESS DANCERS--There is one piece of legislation that got "derailed" that is unbelievable. Since liquor-by-the-drink has been enacted in N.C., we have some bars and taverns near military installations that have been employing minor girls (as young as 15) as topless dancers. Legislation to correct this practice "sailed" through the House but was thrown into the "briar patch" in the Senate's Judiciary I Committee.

When legislation of this nature cannot pass our N.C. Senate, perhaps you can understand the dilemma facing our state. It is quite evident that we are electing legislators according to party label rather than on moral principles. Unless there is a turn-around, the future looks blight for moral and ethical issues.

The cause of applied Christianity calls for our vigilance and commitment.

The Christian Action League stands with you in meeting the challenges of our times. Accept our gratitude for your prayer and financial support as we join with you in being "salt and light."
